

ITT Technical Institute – UPDATE FOR ILLINOIS STUDENTS (August 7, 2017)

Effective September 14, 2016, ITT has ceased all operations and permanently closed the business. The July 2016 online term was cancelled.

ITT Bankruptcy Update: 6/8/2017:

The court overseeing ITT's bankruptcy has ordered ITT's bankruptcy trustee to provide students with any funds "in excess of . . . tuition" that ITT received, before the bankruptcy, to pay for those students' educational expenses. [Here is a link to the court's order:](#)

If you might fall in this category -- that is, if you took out loans to cover both your tuition and your other educational expenses, but ITT never provided you the loan funds for your educational expenses before it went bankrupt in September 2016 -- you should immediately contact the Illinois Attorney General's Office through its Student Loan Helpline at 1-800-455-2456.

1098 Tax Forms for Students -- Update (2/1/2017):

On 2/1/2017, the ITT Trustee stated that the 1098 Tax Forms were mailed out. On the Tax Form, there is a phone number if the students have questions.

***TRANSCRIPTS*:** Transcripts (2001-Present) can be requested at: <http://itt-tech.info/about/how-to-obtain-a-transcript/>

PLEASE NOTE: The Illinois Board of Higher Education (IBHE) does not have any records. All records prior to 2001 are not currently available. IBHE is working with the relevant parties to create a way for students prior to 2001 to access their transcripts.

For Transcript Problems/Issues: Please email itttech@parchment.com or submit a ticket via <https://parchmentsupport.force.com/>

DIPLOMAS:

ITT contracted with Parchment, a third-party provider, who will be servicing orders for digital diplomas, print/digital enrollment verifications, and print/digital degree verifications. Parchment is now taking orders for digital diplomas.

Nursing Student Update (11/18/2016):

The Illinois Department of Financial & Professional Regulation (IDFPR) and Illinois Board of Higher Education (IBHE) have worked together to find a way to assist ITT Nursing program students affected by the recent ITT institutional closure. Students who completed all nursing coursework but whose transcript does not indicate program completion will be individually reviewed by the Department to determine if the education will be accepted based upon completion of the required nursing coursework. If the transcript is accepted students will be eligible to take the NCLEX exam and apply for licensure. Please note that the "Administrative Drop" concern on the transcripts will be taken into consideration, but all licensure requirements must be met.

ITT students that would like to apply for the NCLEX and licensure should follow the standard online application process. A link may be found on the nursing page of the IDFPR's website, or you can use the links provided below. Continental Testing Services (CTS) is also aware of situation.
